

2017 Quilting 102 Supply List

Instructors: Sharon Crozier, Vicki Kauth

Class time: Wednesdays, 9 a.m. to 3 p.m. (bring a sack lunch) beginning June 14, 2017

This class will build on the construction techniques learned in Quilting 101 by incorporating triangles. The project will be a table runner incorporating Dutchman's Puzzle, Pinwheel and Ohio Star blocks along with mitered borders. The blocks will be set on point, so students will learn techniques for setting triangles. Students **MUST** have taken another guild-sponsored or quilt shop-sponsored beginner class before attending this class. There **WILL** be homework. The table runner will finish roughly 20" X 46".
