

Introduction to Thread Painting  
Supply List

Darlene Landrum, Instructor

Required:

Pre-sandwiched panel can be purchased from the teacher or made by student. (Contact teacher for instructions on making your own.)

Sewing machine with ability to drop or cover feed dogs

Free motion foot (darning foot)

Bobbin pre-wound with monofilament thread. A few empty bobbins

Thread – Polyester or rayon, to match all colors on panel. Embroidery thread is fine

Machine needles at least size 80 (bring extra)

Helpful to have:

Quilting gloves or other item to help grip the quilt

Tweezers to help grab the invisible bobbin thread

Extra lighting for your machine (helps to see color variations and invisible thread)

Don't forget to bring lunch and a drink!
