

No-Tear Paper Piecing Class

Have you paper-pieced the old way on a paper foundation? Do you like the process of tearing out the paper off after the blocks are made? Then cleaning up all the bits of paper, me neither...

If you are looking to add some more advanced techniques to your quilting tool kit, this no-tear paper-piecing class may be just what you need. Besides this technique you'll learn about sewing a curved seam as a bonus.

You will have a good start on making this small New York Beauty style wall hanging during class.
