

Quilters Guild Delivers Quilts

Sandra Beasley and Katie Risk, co-chairs of Hill 'N Hollow Quilters Guild's Community Quilts, recently made deliveries of over 30 quilts to local organizations. The recipients of these quilts were Hospice House, the nursery at Baxter Regional Medical Center, The Gamma House and The Call.

Community Quilts project is the Guild's ongoing community engagement which began in about 1990. And since that beginning, the Guild members have made and donated close to 7,000 quilts to community organizations.
